Embracing Duality and Simplicity.

For Resort 2025, the womenswear collection embraces a duality of rebellious edge and tender elegance. The styles range from dark ballerinas to rebellious teens, and tomboy-like preppy looks, creating a diverse and dynamic array of options. The playfulness and maximalist undertone of the 2010s moves back in focus now. At the same time, ladylike narratives are explored through more sophisticated and refined pieces and are balancing the collection's edgier elements. Workwear retains a masculine and almost military edge, characterized by structured silhouettes and utilitarian yet polished details. Boho-inspired stories are more subdued, incorporating fringe and fur elements in a sober, understated manner. Similarly sober, a need for essentials translates into several normcore narratives. Fluidity remains a key theme, with designs that emphasize movement and grace for a sense of ethereal beauty. This season's directions merge contrasting styles to create a versatile and captivating collection, appealing to a wide range of fashion sensibilities. The fusion of rebellious and tender elements ensures a fresh and innovative approach.
