# SS26 SKIRTS INTRODUCTION

## FORECAST

### Soft Performance, Military Influences & Vintage Looks.

For SS26 skirts blend femininity and edge. Sultry slip skirts in satin and lace maintain their place as wardrobe staples, exuding effortless allure. Pencil skirts continue to captivate with their timelessly chic, feminine silhouette, remaining the commercial favorites. However, fuller volumes are stealing the spotlight. Think boho-inspired full skirts, ladylike A-lines, and dreamy low-rise ruffle skirts that evoke whimsy. Bulbous volumes, tutu-inspired layers, and sheer fabrics bring a playful, romantic dimension, often adorned with embellishments for added flair. Handkerchief hemlines bring a touch of modern boho vibes, while structured A-lines and low-rise pleated kilts cater to fans of a more constructed aesthetic. For the daring, micro mini skirts and reworked cargo styles inject bold, contemporary vibes.

Deconstructed lace skirts stand out as a compelling choice for those leaning into more edgy fashion.

*This forecasting report is realized crossreferencing LIVETREND data from several sources to empower the expertise of our Trend Analysts to forecast the trends with concrete and quantitative information. Find the related data sources and icons on the last slides.*
