SPRING 26 SMALL ACCESSORIES UPDATE INTRODUCTION

UPDATE

A cool & bold springtime. For spring 2026, soft accessories are split between classic headwear, timeless neck accessories and edgy waist accessories. Indeed, cool baseball caps collide with bold flat caps. The French touch is also reflected in gavroche-style caps, very popular this season. Some fashionable and less conventional accessories stand out from the crowd, bringing a touch of playfulness to men's wardrobes. Headscarves, worn grandma-style, offer a unique way to embrace this trend, while cowboy hats reinforce the growing Farmer aesthetic. When it comes to neck accessories: neckerchiefs remain spring's must-have. Ties are also a stable trend for the young cohorts: plain and thin, in a corporate style, or striped, for a preppy college vibe. This spring, the waist is also embellished with cool and edgy accessories. Belts are adorned with metallic charms and chains, embracing a rebellious grunge-inspired style. Americana-style belts with oversized metal buckles are another standout, gaining traction both in designer collections and trending on Instagram. They will be still interesting pieces for late adopters.

This report is based on Livetrend data extracted from Instagram & e-commerce from september to january, analysing the visibility and growth of the trends compared to te same period last year. The percentages show the visibility evolution year on year.

The most popular soft accessories remain belts, scarves and headwear. This sub-category includes baseball caps, a springtime icon, as well as flat caps and sailor beanies, which have become an essential accessory for men. A more edgy item, the cowboy hat, can also be seen, especially in streetstyles. Chic silk scarves with mini-geometric patterns bring a touch of sophistication to men's looks, which are enhanced by a touch of casual elegance. Neckerchiefs are also increasing in popularity, and will be the refined accessory of the season. We're also seeing a growth for ties in menswear, ranging from corporate chic style to striped pattern design for a retro college trendy vibe.
